# RESTAURANT GUIDE

# WELCOME TO THE SAN RAMON RESTAURANT GUIDE

The City of San Ramon invites you to enjoy quality dining and entertainment in our community. Your local restaurants offer a world of tastes to experience. Take the night off and enjoy a great evening close to home.

This San Ramon Restaurant Guide is published for our residents, businesses, and visitors. Dining in our city keeps local tax resources in San Ramon. For every dollar spent in San Ramon a portion of that helps support our parks, roads, and a host of other programs.

We hope you enjoy many local dining experiences, and the wonderful shows at the Dougherty Valley Performing Arts Center.

Bon Appetite!

## WHY SHOP SAN RAMON FIRST?

In addition to being convenient, shopping and dining locally shows loyalty to the businesses that make our city great. Every purchase made outside the City of San Ramon benefits another City's service and general fund.

### Save time and energy

A weekly trip to even a neighboring city adds up to an additional \$10 to \$20 per month in gas costs.

[www.brassdoor.com](http://www.brassdoor.com)

The Brass Door features USDA prime, 21-day dry-aged, Kansas City beef, fresh seafood, spectacular salads and fresh pasta. ## IZZY'S STEAKS AND CHOPS\*

200 Montgomery Street, Suite 200  
(925) 830-8620  
[www.izzyssteaks.com](http://www.izzyssteaks.com)

It is the very essence of the classic American success story; a young man of eighteen leaves his home in Portugal and makes his way to San Francisco with dreams of good fortune. Over the years, Izzy's became a must stop in the San Francisco North Beach area and now they have made their way to San Ramon. So enjoy a long standing American tradition — a great steak or serving of fish, fine wine and a good time. Their doors are open to all, and they have room for your party. At Izzy's Steak & Chop House, the place is fully stocked and awaits your order.

Still, if none of the beers wet your whistle, just wait a few weeks and come back, as the Hop Yard rotates its beer selections with regularity. In its ten years of life, the brew pub has poured more than 1,100 different beers. That's something to cheer about. They also have great salads, sandwiches and wonderful fish and chips.
